# WELCOME

## A Message from the Chairperson

A wonderful exciting line up of top Irish & International street performers, including a variety of events, to celebrate Leixlip's Festival **Clowns – Fire Eaters – Stilt Walkers – Puppeteers – Fun Characters – Musicians and Dancers of different cultures – FIREWORKS – SAMBA DANCERS** and so much more.

The Festival has grown by leaps and bounds to become an important leader in the role and contribution of the performing arts, tourism for our town and especially community building.

Over the years, the festival has attracted a growing audience from all parts of the country, this will only continue with the help and support of the town business community. Few will doubt that this festival continues to make a meaningful contribution to the economic success of the town.

A lot of time and commitment goes into putting an event like this together; I would like to pay special Thanks to the Festival Committee for their time and effort over the year in preparing this event for the whole community. Also in the organising of the Leixlip Christmas Lights, two events that Leixlip community can be very proud of.

Sponsorship is a very important feature of organising any event; we are very lucky to have such excellent supporters in financing this Festival. To our main sponsors; Kildare County Council - Hannigan Group – Intel – Hewlett Packard – Leixlip Credit Union -The Courtyard Hotel - Murphy's Bar – AIB – Bank of Ireland – Sam's Takeaway – Spar Main Street, - I extend a huge THANK YOU to all.

The Festival also needs the support of a large number of other groups, such as, The Gardai – Kildare County Council – The owners of the property used by the Festival during the weekend. and especially the committed group of young and not so young STEWARDS who give of their time unselfishly over the Festival period.

Finally; All this has been organised for your enjoyment, I hope you have a wonderful weekend in Leixlip.

**Bernard Caldwell (Chairperson)**

Holly's Horse Haven are the only cross border 24/7 critical care rescue charity (CHY 19316) in Ireland! Our aim is to make a meaningful difference in the lives of neglected and at-risk equines throughout the country through direct intervention, education, community outreach, the raising of awareness, and through hands-on horse rescue, rehabilitation and re-homing.

The Kildare branch of the Charity was founded by Maddie Doyle-Corre in direct response to the ongoing difficulties regarding equines in North Kildare. The volunteer base continues to grow which has allowed us to help more and more horses.

# CHRISTMAS LIGHTS

The Leixlip Lights Committee was formed in September 1999. Their aim was to purchase and erect Christmas lights for the Main Street of Leixlip. The festive decorations would also include an outdoor crib and Christmas tree.

The Committee negotiated a contract with Rossa Lights's Cavan. This contract was for a three year period and involved Rossa Lights putting up, taking down, storing and maintaining the lights for that period. The total cost of for this was approx. €40,000. After this time the Committee would take ownership of the lights.

Funding for the Lights was raised through sponsorship donations and collections from local business and the community.

The Lights Committee include Bernard Caldwell Cllr, Breda Cody, Stephen Gartland, Raymond Noonan, Eamonn Farrell, Catherine Farrell, Victoria Kelly, Gary Norris, Brian McAuley, Michael Coleman and Brendan Kinnane.

They would like to acknowledge and thank the following:
